PAUL G.

Project Manager of £35.000.000 project

I needed a change in Life I wasn't in the best state both in body and Mind, I got in contact with Thomas we talked and he helped with a combination of life coaching and emotional invigoration technique's opening a path of change, a path I'm still following 9 months later and feeling so much better.

Thomas I thank you for all your help, attentiveness and devotion to making me a better person both in body and in mind!.

BRUCE H. I was looking to have something done about my chronic back and knee pain Thomas was able to remove my back and knee pain and to give me a new perspective in regards to the inception of pain and the continuation of chronic pain and why it exists and that there is something more profound at work! Thank you Thomas.
